MAYNARD RECOMMENDATIONS

When we were selecting wines for the Maynard's list, it was so difficult to put all the wines on it I wanted. It is even more difficult to select just a few I would highly recommend to you based on my personal experiences. I have so many favourites.

These are wines I have known for many years, have met the vineyard owners, know the winemakers, and visited their properties. When we buy wines from these people, we know exactly that the wines will truly represent the terroir of their provenance as well as the skill and passion of the winemaker.

So, see a few of my all-time favourites below which also represent great value and quality from the list.

I hope you enjoy our selection of wines. If you want any advice on selecting a wine to go with your meal, please don't hesitate to ask one of our staff, they will be happy to assist.

Cheers!

Rob

FERGHETTINA FRANCIACORTA ROSÉ, LOMBARDY, ITALY £39.95

Made in the exact same way as Champagne and bursting with all the same class, charm and elegance. From family-run organic vineyards and winery near Verona, this beautiful sparkling wine is always a winner whatever the occasion. Time, care and attention to detail are what makes this sparkler so good. Also, have you seen that stunning bottle?

CUVÉE ALEXANDRE ROSÉ FROM GRIMAUD, SAINT TROPEZ, PROVENCE £28.50

Pour a little Southern French sunshine into your glass. Possibly the best Provençal style rosé I know, made for generations by the Val de Gilly family of winemakers near gorgeous St Tropez, where this drop of rosé is often sought out in the bars all along the coast. Santé!

GENETIE BOURGOGNE BLANC, MÂCON, BURGUNDY £28.95

Proper Burgundian Chardonnay treated with care and respect produces results like this. The chalky soils of this region combined with the slightly warmer climate, helps grapes ripen to their full potential. And when the winemaker tells us this is the wine she drinks at home all the time, then you know it's got to be good.

CÔTES DU RHÔNE VILLAGES LES COTEAUX, RHÔNE VALLEY £28.50

Common practice in the Côtes du Rhône is to bottle the best cuvées as a single, named, village wine and the rest as more basic Côtes du Rhône Villages. This wine is sourced with the best grapes available and enriched with the likes of Sablet, Séguret and Cairanne. The result is a wine punching well above its weight which never fails to impress from start to finish.
